## **INFORMATION DISCLOSURE STATEMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In order to comply with 37 CFR 1.97 and 1.98, attached hereto is a copy of Form PTO/SB/08. A copy of the international reference is provided herewith.

In accordance with MPEP Sections 609 and 707.05(b), it is requested that each document cited (including any cited in applicant's specification which is not repeated on the attached Form PTO/SB/08) be given thorough consideration and that it be cited of record in the prosecution history of the present application by initialing Form PTO/SB/08 next to the document. Such initialing is requested even if the Examiner does not consider a cited document to be sufficiently pertinent to use in a rejection, or otherwise does not consider it to be prior art for any reason, or even if the Examiner does not believe that the guidelines for citation have been fully complied with. This is requested so that each document becomes listed on the face of the patent issuing on the present application.

The present Information Disclosure Statement is being submitted in compliance with 37 CFR 1.56, but the citation of such document is not to be construed as an admission that such document is necessarily relevant or prior art. No representation is intended that the cited documents represent the results of a complete search, and it is anticipated that the Examiner, in the normal course of examination, will make an independent search and will determine the best prior art consistent with 37 CFR 1.104(a) and in the course of each search, will review for relevance every document cited on the attached form even if not initialed.

The reference identified on the Form PTO/SB/08 was identified in an International Search Report issued on July 4, 2005. A copy of the report is provided herewith. Since this communication is being submitted after the issuance of a Final Office Action but within three months of issuance of the International Search Report in which the reference was cited, a fee of \$180 pursuant to 37 CFR 1.17(p) is being submitted.

Any deficiency in fees incurred in connection with this matter may be deducted from  
U.S. Patent and Trademark Office Deposit Account No. 503462.

Early and favorable consideration is earnestly solicited.

Respectfully submitted,
